EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael Bell on 27 January 2005.

The application has been amended as follows: In claims 1, 10, 16 and 17, replace the quotation marks in "fiber"s" with the appropriate apostrophe – fiber's –.

DETAILED ACTION

Allowable Subject Matter

2. **Claims 1-18** are allowed.

3. The following is an examiner's statement of reasons for allowance:

With regard to claims 1, 10, 16 and 17:

These claims are allowable over the prior art of record because the latter, either alone or in combination, does not disclose nor render obvious a fiber splice protection apparatus for use in a hydrophone with a plurality of cylindrical mandrels connected linearly and filled with fill fluid, containing a fiber splice in a fusion splice sleeve and comprising a splice protector fixed to a mandrel with the protector having a longitudinal axis aligned with the hydrophone's longitudinal axis, a cavity to hold the sleeve, a rotation sleeve for winding excess fiber mounted on the mandrel between the protector

and an adjacent mandrel with a longitudinal axis aligned with the hydrophone's longitudinal axis and a groove to maintain the fiber's minimum bend radius to hold the fiber defined by opposing shoulders, in combination with the rest of the claimed limitations.

With regard to claims 2-9, 11-15 and 18:

These claims are allowable over the prior art of record because they depend on allowable claims 1, 10 and 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
